

Statement from Fleet Services Director Jennifer Walls:

*“I am very proud of the work that my team does day-in and day-out to support this City and its residents. Our team works in multiple shifts, 24 hours a day, and because of this, the annual Employee Appreciation event we host at the end of each year is often the only time our 230 employees spread across 8 locations can come together as a department to honor and recognize the people working behind the scenes to keep the City moving. The employees at Fleet Services work long hours - in the heat, in the cold, responding during emergency events – We appreciate that our organization allows us this opportunity.”*
